

Accessibility Statement

One Identity is committed to ensuring digital accessibility for all users, including individuals with disabilities. We strive to provide a digital experience that is accessible, usable, and inclusive for everyone, regardless of ability or disability.

Accessibility Standards

We aim to adhere to the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA, as developed by the World Wide Web Consortium (W3C). These guidelines are designed to ensure that web content is accessible to a wide range of people with various disabilities, including visual, auditory, physical, speech, cognitive, and neurological disabilities.

Ongoing Improvements

We are continuously working to improve the accessibility of our website. As part of our commitment, we conduct regular accessibility audits, implement improvements based on feedback, and provide updates as necessary to ensure that we maintain compliance with WCAG guidelines.

Feedback and Support

We welcome your feedback on the accessibility of our digital products. If you encounter any barriers or need assistance with any aspect of our site, please do not hesitate to contact us.
